

Florida Keys Concert

A S S O C I A T I O N

~ Since 1969 ~

Hi,

I'm reaching out today to tell you about our organization and ask for your help. The Florida Keys Concert Association began producing classical music events in 1969 in Marathon. In 2008, the Association expanded its program to Islamorada and continues to be run by volunteers.

Like everyone in the Keys, the Florida Keys Concert Association was affected by hurricane Irma and then by the Covid 19 pandemic. As a result we have temporarily lost many of our patrons. Our series of twelve concerts, six in Marathon and six in Islamorada costs approximately \$100,000 to produce. To keep our ticket prices low and make the concerts accessible to a wide audience, we are forced to look for community caring donors.

We're hoping you can help by joining our list of sponsors, who help us bring beautiful live music to the Keys. There are many opportunities to get involved and all contributions are tax deductible.

Sponsorship Opportunities

Major Series Sponsor: \$10,000
Series sponsor: \$2,500-\$5,000
One concert sponsor: \$1,000

Major artists housing sponsor: \$5,000
